

A Passover Prayer

As those who were the faithful and kept the Law marked their portals that the spirit of darkness would pass them by, knew within their own hearts a sense of fear, a sense of darkness beyond that which was the mark of God, the lamb's blood, then know so as ye bear that mark in your spirit, in your word, intent, and/or deed, then no darkness can enter into wherever you might be. And in the days, weeks, months, and years which lie ahead, remember this ... and let it fortify you and bear forth the fruit of faith.

Your power is God. The pathway for you to regain the power has been made clear by the One who is called Jesus. And His spirit, called the Christ, is that which shall endure you to transcend the path and provide you every tool that you might need along the way.

Therefore: Abba, Abba—my Father, my Father—Thy kingdom come, and enter I into same that Thee would know me and call me by name, that Thy will and mine shall evermore be as one.
